

Amendment to the Specification

Please replace paragraph [0036] with the following amended paragraph:

[0036] The system may be implemented in software, for example, in a simulator, emulator, or similar software. A software implementation may include a microcode implementation. A software implementation may be stored on a machine readable medium. A “machine readable” medium may include any medium that can store or transfer information. Examples of a machine readable medium include a machine readable storage medium (e.g. a ROM, a floppy diskette, a CD-ROM, an optical disk, a hard disk), a machine readable transmission medium (e.g. radio frequency (RF) link), and similar media and mediums.
